Dear Mr. Barak,

for your information, unfortunately I failed to speak to Mr. Vekselberg of your invitation to meet at your residence as well as to meet with Professor Golani. I hope to be able to discuss on Tuesday, May 12th which is next business day here. Also my colleague who is scheduling Mr. Vekselberg's program in Israel has been duly informed of your suggestions.

I will keep you updated.

Kind regards,
Natalia

Hi Natalia
Thx. My wife Nili and myself would be honored to host Mr. Vekselberg and his wife Marina and son Alex if they're coming as well for a coffee in our private residence in Tel Aviv on any of the days of his visit.
Please let Mr. Vekselberg know of this invitation.
Best
Ehud Barak
